If you suffer from any food allergies and/or food intolerances and wish to know more about the ingredients we use, please speak to a member of staff. We need to know about all food allergies even if they do not seem relevant to the dish you are ordering.

We're keeping our menu short, simple yet tasty at the moment whilst our kitchen team find their feet after lockdown. Please bear with us if it's particularly busy - we promise we're going as fast as we can. Social distancing measures mean the number of people we can have in the kitchen at any one time has been vastly reduced.
